## **ABOUT PHILADELPHIA'S MAGIC GARDENS**

Philadelphia's Magic Gardens (PMG) is an immersive mixed media art environment that is completely covered with mosaics. The creator, Isaiah Zagar, used handmade tiles, bottles, bicycle wheels, mirror, and international folk art to chronicle his life and influences. The exploratory space is made up of two indoor galleries and a bi-level outdoor sculpture garden. As a nonprofit museum, PMG celebrates art in its many forms through community outreach, public programs, hands-on activities, exhibitions, and tours. We welcome everyone to explore the space and embrace the possibility of self-expression.
